TimeLine 100

## Quick Start Guide

## Quick Start Guide

The Quick Start Guide is intended to provide the user with simple instructions on how to setup the terminal date/time and communication as well as to perform card enrollment and verification. For more details on other topics of terminal management, refer to the terminal's hardware user manual available in the package or online at

• <http://info.fingertec.com/timeline100-4>

## 1 Setting the Date and Time

1. Press **Menu**, go to **Options** and select **System Options**.
2. Select **Date/Time**, insert the correct value and press **OK** to save the settings.

## 2 Enrolling Card Users

1. Press **Menu**, go to **User Manage** and select **Enroll User**. Select **Reg RFID** and press **OK** when you see "New Enroll".
2. Key in a **User ID**, and wave the card at the induction area until the card ID is displayed on-screen. Press **OK** to save.

## 3 Communication Settings

Press **Menu** > **Option** > **COM opt**> Set value for IP / Subnet mask / Gateway / Dev ID > **OK** to save > **Restart** to apply changes.

#### Default set value:

IP address - 192.168.1.201

Subnet mask - 255.255.255.0

Gateway - 192.168.1.1

Dev ID - 1

Password - 0
