Norana Johar
Senior Marketing Manager

Borrowing a quote from Barack Obama, "Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek."

A new year doesn't mean a thing without an intention to change for the better.

Henry Pang
Product Development Manager

I hope 2009 would be a good and peaceful year with no natural disaster (though it's unnatural) and no war (with Obama heading the USA) and the economy heals (so I can earn more and get myself a new ride) and in work I want to deliver quality work in a faster rate so I can help our sales team increase their sales.
