FINGERTEC® MODELS

FINGERTEC®

 The AC800 model features a black front panel with a silver side trim. It has a small LCD screen at the top displaying "Welcome Check-In", "09:00", and "01-01-08 TUE". Below the screen is a numeric keypad with buttons for "1-9", "ESC", "A IN", "V OUT", "0 OK", and "M". A green optical sensor is positioned to the right of the keypad.	 The AC800 Plus model is similar to the AC800 but features a red optical sensor instead of a green one.	 The AC800 Plus MC model includes a red optical sensor and is shown with two white MC (MasterCard) cards placed in front of it.
