

FINGERTEC

Face ID3

Face ID 4d

Quick Start Guide

Terminal Overview

ENGLISH

• Face ID 3

• Face ID 4d

FACE ENROLLMENT

- 1 Align your eye position to appear in this area.
- 2 Progress bar to indicate progress of face enrollment.
- 3 Status bar to indicate the quality of the captured image; the higher the number, the better the image.

VERIFICATION MODE

- 1 Adjust your position so your face appears in this area.
- 2 Status bar to indicate the quality of the captured image; the higher the number, the better the image.

SUCCESSFUL VERIFICATION MODE

The system will display your photo, user ID and name after verifying your identity.

Quick Start Guide

The Quick Start Guide is intended to provide the user with simple instructions on how to setup the terminal date/time and communication as well as to perform face enrollment and verification. For more details on other topics of terminal management, refer to the terminal's hardware user manual available in the package or online at

- **Face ID3**
<http://info.fingertec.com/faceid3-4>
- **Face ID 4d**
<http://info.fingertec.com/faceid4d-4>

1 Setting the Date and Time

1. Press **Menu**, select **Date/Time** and set the value.
2. You have two options for time format, 12-hour format or 24-hour format.

2 Enrolling Face

Refer to hardware user manual.

1. Press **Menu** and select **User**.
2. Enter your **User ID** and select **Face**.

3. Follow the instructions and align your eye position to the green rectangle on the screen to enroll your face.
4. Once the enrollment process is done, select the suitable **Privilege** level, and press **Save**.

3 Communication Settings
