

# IoT Package

## for Visitor Management System

Add IoT devices into your i-Neighbour App to enhance automation, security and visibility of visitor management at the security post.

BLE-2

### TimeTec BLE-2 for Automation

Tap on the Check-In icon in i-Visit panel to uplift barrier gate for visitor access.

#### INCLUDING

1. Onvif IP Camera - E17s x 2 units (in-out visitor lane)
2. BLE-2 x 2 units (in-out visitor lane)
3. Installation & cabling of BLE-2 & IP Camera

*Note: Community has to provide Internet access with a router and wifi modem to adopt the above IoT devices.*

### EpiCam E17S for Security and Visibility

By tapping on the Check-in icon, the visitor's car image, vehicle plate number, and ID will be uploaded into a cloud server and made available to unit owners and admins in real time for reference.

E17s

TimeTec Cloud Sdn Bhd (832542W)
